LEGARZA ALL SPORTS PROGRAM

1ST – 5TH Grade

Monday through Thursday 3:30-5:00 p.m.

The Legarza All Sports program is overtaking the Green Top four days a week with organized games, activities, and sports! Their highly trained and experienced staff engage your child in productive fun each afternoon. Positive encouragement and personal connection are trademarks of their afterschool program that your child will experience as they grow and learn. Join them and experience the contagious enthusiasm and quality instruction that have been synonymous with Legarza Sports for the past 27 years!

LEARNING LAB

1ST – 5TH Grade

Monday through Friday 3:30-4:30 p.m.

Learning lab is a safe, quiet space for students to complete their homework, try out a new interactive learning game, read a book, or play a quiet game with a friend. Taking place in the library and new library nook five days a week, students can recharge while receiving some extra support from the SFS staff.

VIVALDI CLUB WITH SOFIA LOPEZ-IBOR

1ST– 5TH Grade

Thursday 8:00-8:30 a.m.

Start Date TBD

Vivaldi Club is a string ensemble dedicated to playing music mostly in classical style. Interested students in Elementary School who play and are currently studying a string instrument (violin, viola, cello, bass), piano or flute should contact Sofia Lopez-Ibor at slopezibor@sfschool.org

Sofia Lopez-Ibor has an MA in music performance from The Royal Conservatory of Music in Madrid (Spain), Music Education at The Orff Institute from the Mozarteum in Salzburg (Austria) and has been a guest student at the Trinity College of Music in London (England). She is an International Orff Schulwerk presenter and teacher of music pedagogy at The Orff Institute and The San Francisco International Orff Course. Sofia is a music teacher at The San Francisco School.

BAND WITH JAMES HARDING

4TH- 8TH Grade

Thursday 7:30-8:30 a.m.

Start Date TBD

The San Francisco School band rehearses once a week before school. It is required that students have completed one year of study on their instrument and currently be working outside of band with a teacher. In the band, students work on ensemble reading skills through a varied repertoire of music. Any instrument can be considered for band; over the years, band has included: flute, saxophones (alto and tenor), clarinet, trumpet, trombone, violin, electric bass, electric guitar, piano/keyboard, marimba/vibes, and drums/percussion. The band performs at the Middle School Spring concert in May, 8th grade graduation, and within school at other various celebrations.

James Harding is an SFS Music Teacher and International Orff Schulwerk Teacher.

AMNESTY INTERNATIONAL WITH SOLVEIG DIMON

6TH - 8TH Grade

Friday 3:30-4:30 p.m.

Students in this class will discuss current issues in their communities and around the world. SFS has one of the few middle school chapters of Amnesty International (AI) in the Bay Area. The purpose of our chapter is to support the mission of AI. This is an excerpt of AI's mission: "We are people from across the world standing up for humanity and human rights. Our purpose is to protect people wherever justice, freedom, truth and dignity are denied. We investigate and expose abuses, educate and mobilize the public, and help transform societies to create a safer, more just world. We received the Nobel Peace Prize for our life-saving work." Middle school students who join Amnesty will choose a human rights campaign to work on this school year and work to educate our communities. This may take the form of phone-calling or letter writing campaigns, setting up a table on campus or on 24th Street, or hosting a speaker. This work is rewarding and educational!

Solveig Dimon is the SFS Librarian and Naturalist, and has led Amnesty International for many years.

GIRLS CODE WITH BYTES FOR BITS

3RD – 8TH Grade Girls Only

Thursday 3:30-4:30 p.m.

Semester Fee: \$50* for 3 sessions*, Extended Day charges apply after 4:30 p.m.

**Reduced pricing made possible by a generous donation*

Dates: 9/14, 9/21, 9/28

Minimum number of students: 10

Maximum number of students: 18

U.S. college graduates fill only 29% of jobs in computer related fields. Women fill just 3%. Let's change that! In this three-week course, girls will receive a head start in learning the fundamentals of software coding. Students work in Scratch, a visual coding tool, where they click virtual blocks together like Legos to make characters move and interact.

CODING WITH BYTES FOR BITS

3RD – 8TH Mixed-Gender

Thursday 3:30-4:30 p.m.

Semester Fee: \$200 for 5 sessions*, Extended Day charges apply after 4:30 p.m.

**Reduced pricing made possible by a generous donation*

Dates: 10/5, 10/12, 10/19, 10/26, 11/2

Minimum number of students: 10

Maximum number of students: 32

This weekly mixed-gender after school program will build on the girls-only course continuing to teach the fundamentals of software coding. This course is designed to inspire, educate, and equip students in grades 3 – 8 while working in the Scratch coding platform. After registration, students will be separated into two groups based on their current skills and abilities.

Lesson plans are modular so each student can progress at their own pace. Each class introduces some base concepts and then has a number of challenges that allow students to bring their creativity to the task. Classes for experienced kids are more project oriented and less about base concept learning, while continuing exposure to complex challenges. The objective is to create a fun and educational environment where students can get comfortable with the concepts of code and craft something that is their own.

If you would like to know more about the program, visit www.bytes4bits.com.

ELEMENTARY ATHLETICS

4th – 5th Grade

Friday 3:15-4:15 p.m.

No Class: 9/29, 11/10

Minimum number of students: 8

Maximum number of students: 14

This developmental elementary athletics program, taught by Toni Russell, will build basic fundamental skills and ignite an interest in a variety of sports. The goal of the program is to reach students who are looking to develop skills and/or play sports for the first time in a less competitive environment. Students will also build camaraderie within a group helping them build work ethic, confidence, connection and character. For more information about this program, please contact Toni Russell, trussell@sfschool.org.

INSTRUMENTAL MUSIC LESSONS

FLUTE LESSONS WITH SUE FLEMING

4TH - 8TH Grade

Monday 3:30-5:30 p.m.*

Semester Private Lesson Fee: \$45 per half-hour lesson, Extended Day charges apply from dismissal until the time of lesson and after the lesson until pick-up

*Lesson times will vary, contact Sarah swood@sfschool.org to schedule

Private half-hour lessons (with occasional one-hour group lessons for duets or ensemble pieces) for beginning, intermediate, and advanced flute students. Students will experience repertoire ranging from world music to classical, while they learn to read music and rhythms, music theory, and proper flute-playing techniques. Students will also be able to polish pieces for band and class performances. Rental or purchase of a flute and purchase of flute books is necessary for this course.

Sue Fleming has been a private flute teacher for over 44 years, and has over 35 years of experience teaching instrumental music in schools in Ohio and throughout the San Francisco Bay Area. Sue and her husband Joe reside in San Francisco where they have raised 4 kids - 1 currently in college and 3 college graduates - who are all musicians, athletes, and scholars. In the in-between moments, Sue sings with the San Francisco Choral Society and has a love for good coffee, reading, and learning to play new instruments.

FREQUENTLY ASKED QUESTIONS

My child is interested in a class that ends at 4:30 p.m., will I be charged if I do not pick up promptly at 4:30?

- Yes, students will be charged for any portion of time after their class ends at the \$10/hour rate.

What if the class doesn't reach the minimum numbers?

- Under enrolled courses will be cancelled and families who have registered informed via email prior to the start of the class.

What if the class surpasses the maximum number?

- Over enrolled classes will generate a waitlist for students in the case of a cancellation.

How do I register for classes?

- Families can register and view existing enrollment by visiting the Extended Day section of the school website: <http://sfschool.org/school-life/extended-day/>

My child wants to take an instrumental lesson, what is the process?

- Email Sarah Wood swood@sfschool.org to state preference for instrument and availability.
- Instrumental lesson schedules will be arranged and families informed of lesson days/times. Please know that every attempt is made to accommodate day-of-the-week preferences, but it may be difficult or impossible to always fulfill the first choice of each family.
- In the case of a missed lesson, please inform the instrumental music teacher, the front desk, and Sarah the morning before the lesson. If no notice is received, no refund will be given.

What are the procedures for signing my child in and out of Extended Day?

- Students in Elementary and Middle School are signed into the Extended Day program from dismissal to 3:30 p.m. using the Kinderlime iPad application.
- Students are signed out from the Extended Day program at the Front Desk upon arrival of their guardian for pickup. Authorized guardians will sign the child out using the Kinderlime iPad application. Students who are not signed out will automatically be signed out at 6:00 p.m.
- Preschool students are signed in and out across from the Preschool Extended Day Room using the Kinderlime iPad application and each families unique four digit code.

What if I am late for carpool?

- Students still in carpool at 3:25 p.m. will be signed into their choice of Extended Day drop-in options (Legarza All Sports, Learning Lab, etc.)
- Once the authorized guardian has arrived, the student will be signed out at the Front Desk and pay the rate of \$10/hour.
- If you have not already pre-purchased a punch card you will be asked to do so at sign out.

I have some suggestions for future Extended Day courses, who do I contact?

- You can contact Sarah Wood with any suggestions or concerns. She can be reached at swood@sfschool.org, 415-239-5065 ext. 216 or on campus daily.
