

EXTENDED DAY CATALOG

Fall 2018

EXTENDED DAY OPTIONS

Extended Day programming is offered Monday through Friday at the rate of \$12/hour for all students. For frequent users, an unlimited option of \$2,400 is available for preschool and elementary students and \$1,200 for middle school students. This flat fee covers care from 7:30 a.m. to 6:00 p.m. on school days for the entire 2018-2019 academic year. There is no fee for students after 8:00 a.m. Additional payment is required for vacation camps, teacher workshop days and evening events.

In addition to drop-in programming, a variety of enrichment classes are available with an additional activity fee. Extended Day hourly fees do not apply during the class but do incur from the time of class dismissal until your child is picked up from school. Registration for enrichment classes and the unlimited extended day option are through an online enrollment management system, <https://www.sfschool.org/school-life/extended-day/>. Please note this system is separate from the SFS Parent Portal and new users will need to create a username and password to access the list of courses.

DROP-IN OPTIONS WITH NO ACTIVITY FEES

ALL SPORTS PROGRAM WITH LEGARZA

1ST – 5TH Grade

Monday through Friday 3:30-5:00 p.m.

The Legarza All Sports program is taking over the Green Top five days a week with organized games, activities, and sports! Their highly trained and experienced staff will engage your child in productive fun each afternoon. Positive encouragement and personal connection are trademarks of their afterschool program that your child will experience as they grow and learn. Join them and experience the contagious enthusiasm and quality instruction that have been synonymous with Legarza Sports for the past 28 years!

LEARNING LAB

1ST – 5TH Grade

Monday, Wednesday, Thursday 3:30-4:30 p.m.

Learning lab is a safe, quiet space for students to complete their homework, try a new interactive learning game, read a book, or play a quiet game with a friend. Taking place in the library and new library nook, students can recharge while receiving some extra support from the SFS staff.

VIVALDI CLUB WITH SOFIA LOPEZ-IBOR

1ST– 5TH Grade

Thursday 8:00-8:30 a.m.

Vivaldi Club is a string ensemble dedicated to playing music mostly in classical style. Interested students in Elementary School who play and are currently studying a string instrument (violin, viola, cello, bass), piano or flute should contact Sofia Lopez-Ibor at slopezibor@sfschool.org

Sofia Lopez-Ibor is an International Orff Schulwerk presenter and teacher of music pedagogy at The Orff Institute and The San Francisco International Orff Course. Sofia is a music teacher at The San Francisco School.

BAND WITH JAMES HARDING

4TH- 8TH Grade

Thursday 7:30-8:30 a.m.

The San Francisco School band rehearses once a week before school. It is required that students have completed one year of study on their instrument and currently be working outside of band with a teacher. In the band, students work on ensemble reading skills through a varied repertoire of music. Any instrument can be considered for band; over the years, band has included: flute, saxophones (alto and tenor), clarinet, trumpet, trombone, violin, electric bass, electric guitar, piano/keyboard, marimba/vibes, and drums/percussion. The band performs at the Middle School Spring concert in May, 8th grade graduation, and within school at other various celebrations.

James Harding is an SFS Music Teacher and International Orff Schulwerk Teacher.

AMNESTY INTERNATIONAL WITH SOLVEIG DIMON

6TH - 8TH Grade

Friday 3:30-4:30 p.m.

Students in this class will discuss current issues in their communities and around the world. SFS has one of the few middle school chapters of Amnesty International (AI) in the Bay Area. Middle school students who join Amnesty will choose a human rights campaign to focus on this school year and work to educate our communities. This may take the form of phone-calling or letter writing campaigns, setting up a table on campus or on 24th Street, or hosting a speaker. This work is rewarding and educational!

ENRICHMENT COURSES WITH ACTIVITY FEES

GIRLS CODE WITH BYTES FOR BITS

3RD – 8TH Grade Girls Only*

Monday 3:30-4:30 p.m.

Semester Fee: \$120 for 3 sessions, Extended Day charges apply after 4:30 p.m.

Dates: 9/10, 9/17, 9/24

Minimum number of students: 8

Maximum number of students: 16

U.S. college graduates fill only 29% of jobs in computer related fields. Women fill just 3%. Let's change that! In this three-week course, girls will receive a head start in learning the fundamentals of software coding. Students work in Scratch, a visual coding tool, where they click virtual blocks together like Legos to make characters move and interact.

**"Girls Code welcomes anyone who identifies as female regardless of assignment at birth or anyone who identifies as non-binary or gender nonconforming and wants to be in a female-identified environment."*

CODING WITH BYTES FOR BITS

3RD – 8TH Mixed-Gender

Monday 3:30-4:30 p.m.

Semester Fee: \$360 for 9 sessions, Extended Day charges apply after 4:30 p.m.

Dates: 10/1, 10/15, 10/22, 10/29, 11/5, 11/19, 11/26, 12/3, 12/10

No Class: 10/8, 11/12

Minimum number of students: 8

Maximum number of students: 16

This weekly mixed-gender after school program will build on the girls-only course continuing to teach the fundamentals of software coding. This course is designed to inspire, educate, and equip students in grades 3 – 8 while working in the Scratch coding platform.

Lesson plans are modular so each student can progress at their own pace. Each class

introduces some base concepts and then has a number of challenges that allow students to bring their creativity to the task. Classes for experienced kids are more project oriented and less about base concept learning, while continuing exposure to complex challenges. The objective is to create a fun and educational environment where students can get comfortable with the concepts of code and craft something that is their own.

SCIENCE WIZ WITH NEXPLORE

1ST- 5TH Grade

Tuesday 3:30-4:30 p.m.

Semester Fee: \$325 for 13 sessions, Extended Day charges apply after 4:30 p.m.

Semester Private Lesson Fee: \$45 per half-hour sessions, Extended Day charges apply from dismissal until the time of lesson and after the lesson until pick-up

* Lesson times will vary, contact Sarah swood@sfschool.org to schedule

Woodwind master Garrett Kobsef is one of the Bay Area's best kept secrets. He has been a San Francisco resident since 2007 and honed his craft in Los Angeles for nine years prior. While studying jazz music at the University of Southern California he worked with many of Hollywood's greatest voices including Bonnie Raitt, Fleetwood Mac, and Michael Buble. Legendary composers Gerald Wilson and Bill Holman also sing Garrett's praise. His mentors are the sax players for Steely Dan, Rod Stewart, Carly Simon, Stanley Clarke, Freddie Hubbard and Tom Waits.

His versatility makes him equally at home playing jazz, reggae, salsa, funk and hip-hop. He has contributed to countless recordings, television appearances, theatre pit orchestras, and performed on the world's grandest stages including the fabled Glastonbury Festival, Red Rocks Amphitheatre, Hollywood Bowl and Walt Disney Concert Hall

TRUMPET LESSONS WITH SCOTT JENSEN

* Lesson times will vary, contact Sarah swood@sfschool.org to schedule

Private lessons with Scott will emphasize the fundamentals of trumpet for beginners and more advanced concepts for those already playing. Lessons will be tailored to each students' needs but will include; how to read music, how to improvise, (and most important), how to have fun playing the trumpet.

Scott's played the trumpet for over 40 years. He studied at the New School for Jazz in NYC and has played on both coasts and in Europe. He's taught privately and in schools with specific teaching skills in Jazz, Orff, and Mindfulness teaching methods.

FREQUENTLY ASKED QUESTIONS

My child is interested in a class that ends at 4:30 p.m., will I be charged if I do not pick up at 4:30?

- Yes, students will be charged for any portion of time after their class ends at the \$12/hour rate.

What if the class doesn't reach the minimum numbers?

- Under enrolled courses will be cancelled and families who have registered are informed via email prior to the start of the class.

What if the class surpasses the maximum number?

- Over enrolled classes will generate a waitlist for students in the case of a cancellation.

How do I register for classes?

- Families can register and view existing enrollment by visiting the Extended Day section of the school website: <http://sfschool.org/school-life/extended-day/>

My child wants to take an instrumental lesson, what is the process?

- Email Sarah Wood swood@sfschool.org to state preference for instrument and availability.
- Instrumental lesson schedules will be arranged and families informed of lesson days/times.
- In the case of a missed lesson, please inform the instrumental music teacher, the front desk, and Sarah the morning before the lesson. If no notice is received, no refund will be given.

What are the procedures for signing my child in and out of Extended Day?

- Students in Elementary and Middle School are signed into the Extended Day program from dismissal using the Kinderlime iPad application.
- Students are signed out from the Extended Day program at the Front Desk upon arrival of their guardian for pickup. Authorized guardians will sign the child out using the Kinderlime iPad application. Students who are not signed out will automatically be signed out at 6:00 p.m.
- Preschool students are signed in and out across from the Preschool Extended Day Room using the Kinderlime iPad application and each user's unique four digit code.
