

# TEACH WITH US.

Come cultivate + celebrate the intellectual, imaginative + humanitarian promise of each student.

## LIBRARIAN

Starts August 2020, Part-time – 40% FTE  
Interim position for the 2020-2021 school year

We seek a team member who is a(n):

- Talented individual who can nurture and inspire students with a multicultural, unbiased and meaningful library curriculum
- Passionate about, and enjoy working with children
- Experienced creating library environments that are structured, emotionally safe, and allow for inspirational and creative thinking for all students
- Experienced with or interest in the Media Arts
- Confident with technology and digital citizenship
- Culturally competent, engaged community member
- Excellent communicator + collaborator

## The Work

- Teach 4 hours of Library classes through 45-minute, bi-weekly classes with all Lower School students
- Curate, develop, manage, and promote a library collection that represents diverse cultures, experiences, and viewpoints
- Manage and maintain the library as a safe and inviting learning environment
- Work with teachers in all divisions to provide literacy and research support, and expertise in the development of integrated literacy and research projects
- Collaborate with the Director of Design, Engineering & Technology and other members of the SFS community to envision the next evolution of Library, Media Literacy, and the Media Arts at the San Francisco School

**Steve Morris**  
Head of School  
20+ years as an educator  
12 years as SFS Head

*"I am committed to supporting teachers to learn + grow at whatever stage they are in their careers."*

**Carly Reiter**  
Director of Design, Engineering and Technology  
15+ years as an educator  
1st year at SFS

*"I believe that STEAM can be a cross-pollinator across all disciplines and subjects, and can open doors for all kinds of learners."*

## The San Francisco School

An independent school, pre-K through eighth grade, with a commitment to a multicultural + inclusive community. The School embraces San Francisco's ethnic, cultural + economic diversity. Our progressive approach to education encourages children to develop **self-reliance, strong academic skills, creativity,** + a sense of social justice. They graduate **academically prepared, inquisitive, courageous,** + eager for the challenges ahead.

*We are committed to increasing staff diversity, both to reflect the high value SFS places on multicultural understanding + for the direct benefit of each student.*
