The San Francisco School

An independent school,
pre-K through eighth grade,
with a commitment to a
multicultural + inclusive community
The School embraces San Francisco's
ethnic, cultural + economic diversity.
Our progressive approach to education
encourages children to develop
self-reliance,
strong academic skills,
creativity,
+ a sense of social justice.
They graduate
academically prepared,
inquisitive,
courageous,
+ eager for the challenges ahead.

*We are committed to increasing staff diversity,
both to reflect the high value SFS places on
multicultural understanding + for
the direct benefit of each student.*
