

Event Cancellation

Dear SFS Community:

In light of this evening's [AlertSF announcement](#) which reads, "To reduce the spread of coronavirus SF health officials advise canceling non-essential large community events for the next 2 weeks," we have made the decision to cancel the following SFS events:

- [PACT student event](#) (Saturday, March 7)
- [SFS's 41st Annual Auction](#) for Tuition Assistance (Saturday, March 14)
- [SPEAK Talk with Dr. Chip Fletcher at SFS](#): Climate Change and Our Kids (Monday, March 16)

At the time of this notification, school is scheduled to proceed as normal next week. Our emergency response team continues to monitor developments and recommendations by the CDC and the SF Department of Public Health. Please pay close attention to ParentSquare for official announcements and updates regarding any changes to regularly scheduled school events next week.

Although these decisions are not easy, I continue to feel confident that we are on top of this. We are getting good advice from professionals in our community and beyond. Thank you for joining me in staying measured.
