The San Francisco School

An independent school, pre-K through eighth grade, with a commitment to a multicultural + inclusive community. The School embraces San Francisco's ethnic, cultural + economic diversity. Our progressive approach to education encourages children to develop **self-reliance,** **strong academic skills,** **creativity,** + a sense of social justice. They graduate **academically prepared,** **inquisitive,** **courageous,** + eager for the challenges ahead.

We are committed to increasing staff diversity, both to reflect the high value SFS places on multicultural understanding + for the direct benefit of each student.
