The Core of the Work

- Plan and manage a dynamic classroom environment where all students feel seen and valued
- Collaborate with Lower School colleagues to assure coherence, relevance and vibrancy of program
- Work with Learning Specialist for appropriate accommodations and differentiation for all learners
- Communicate regularly with parents/guardians via emails, calls and ParentSquare posts, including and at minimum three conferences across the year
- Supervise and support inclusive + fair play
- Maintain fluency with technology and digital citizenship
- Continue to develop relevant professional knowledge and skills, particularly as related to academic and cultural competencies

The San Francisco School

An independent school, pre-K through eighth grade, with a commitment to a multicultural + inclusive community. The School embraces San Francisco's ethnic, cultural + economic diversity.

Our progressive approach to education encourages children to develop

self-reliance,

strong academic skills,

creativity,

+ a sense of social justice.

They graduate

academically prepared,

inquisitive,

courageous,

+ eager for the challenges ahead.

We are committed to increasing staff diversity, both to reflect the high value SFS places on multicultural understanding + for the direct benefit of each student.
