

TEACH with US

Come cultivate + celebrate the intellectual, imaginative + humanitarian promise of each student.

K-4th Learning Specialist

Starts August 10, 2022 - 80-100% FTE position

Overview

The K-4th Learning Specialist (LS)

- provides services directly to students in the classrooms and in small pull-out groups
- works alongside student support team and classroom teachers to serve students, teachers and families
- collaborates with teachers to develop student learning plans, accommodations and differentiated instruction & curriculum
- screens children for learning and developmental differences and/or interprets outside assessments
- recommends outside testing, tutoring or other indicated special services and provides case management by partnering with teachers and families

The K-4 LS educates faculty, parents, and students about learning and teaching styles and strategies. K-4 LS services include support for reading, writing, and mathematics instruction with a keen awareness of social-emotional, sensory, and regulation strategies.

Qualifications

The successful candidate will have:

- Training + experience as a Learning Specialist, Special Education Credential, and/or an MA in Special Education
- Three years minimum experience in elementary and special education teaching credential preferred
- Cultural competence in multicultural classrooms and sensitivity to the needs of children from diverse backgrounds
- Proven mastery of early literacy and numeracy instruction
- An ability to work collaboratively and effectively with teachers + parents
- Familiarity with educational resources in San Francisco
- Effective communication and facilitation skills

Steve Morris

Head of School

20+ years as an educator

14 years as SFS Head

"I am committed to supporting teachers to learn + grow at whatever stage they are in their careers."

Kate McElvaney

Lower School Head

25+ years as an educator

"I am dedicated to partnering with educators and families to support the growth of children as learners, friends, citizens and compassionate humans who have a clear sense of themselves and the power they have to shape their world."

The San Francisco School

A Preschool through 8th Grade independent school,

with a commitment to a multicultural + inclusive community

The School embraces San Francisco's ethnic, cultural + economic diversity.

Our progressive approach to education encourages children to develop self-reliance,

strong academic skills,

creativity,

+ a sense of social justice.

They graduate

academically prepared,

inquisitive,

courageous,

+ eager for the challenges ahead.

We are committed to increasing staff diversity, both to reflect the high value SFS places on multicultural understanding + for the direct benefit of each student.
